Diamond Dermabrasion can treat All Skin Types and can be used on the face, neck, shoulders, back, arms and legs

Treatment 1) - is designed to;

- Opens pores for deep cleansing of the skin
- Helps reduce blackness from under the eyes
- Accelerates blood flow and circulation and strengthens skin tissue metabolism.

Treatment 2) - Deep Skin Cleaner –This procedure is used to break down dead skin cells, oily clumps, treats pimples and clears the complexion of skin irritants/imperfections, unblock pores and deeply clean the skin. This in turn improves cellular renewal and repair to the skin providing a radiant glow. It Also;

- Reduces pigmentation
- Reduces wrinkles
- Helps to cool and calm acne skins
- Removes dead skin cells
- Treats Blackheads & Whiteheads
- Rejuvenates the skin to a new and health glow

Treatment 3) - Diamond Dermabrasion - The Diamond dermabrasion treatment uses sterile diamond heads to abrade and rub off the top skin layer of dead skin cells This helps to replenish natural nutrients, restore cell activity and results in a smoother and younger looking skin.

Also improves specific skin conditions such as acne, acne scars and stretch-marks improving skin tone and texture resulting in a smoother appearance of the skin. It Also;

- Rejuvenation of sun damaged skin - face, neck, shoulders, back, arms and legs
- Reduction of age (liver) spots.
- Minimization of blotchy skin coloring.
- Reduction of acne and superficial scars from past injury.
